

Rolling Façade Grant Program

Timeline for Grant Application Submission and Approvals

Main Street Façade Grants is a two-step process for most applications. The Main Street area is also in the Greenfield Historic District and prior to the Greenfield Main Street Board façade grant awards, the Historic Board must approve the plans.

Grant Applications are due by the 15th of every month

The Greenfield Historic Board meets on the first Thursday of every month. All Main Street grant requests shall be submitted to Main Street and the plans shall also be submitted to the Historic Board on the 15th day of the month preceding the Greenfield Historic Board of Review meeting. Applications will be reviewed by the Greenfield Main Street Design Committee and by the City simultaneously, and Applicant interviews will be scheduled if necessary.

There is a separate application process that is managed by the City Planning Department for Historic Board approval. The Greenfield Historic Board of Review Application can be obtained in the City of Greenfield Planning Department at 10 S State Street in City Hall (317) 477-4320 or on the City's online permitting portal found in the quick links at the bottom of the City of Greenfield website. www.greenfieldin.org The Historic Board of Review meeting is held in Council Chambers of City Hall 10 S State Street and you or a representative must be present.

The Greenfield Main Street Board meets on the third Monday of every month. The Design committee will submit grant recommendations to the Main Street Board for final approval after the Historic Board has approved your project.

Final Award notification will be given within two weeks of the Main Street Board meeting to all grant recipients and contracts will be reviewed and signed by all parties.

The grant application process takes approximately 4-6 weeks from application to contract. Grants will be awarded on a first come, first serve basis until the funding is depleted each year.

Projects must be completed within 6 months from grant award.
